About Me

I'm a full-stack software developer from Chattanooga, TN and currently living in Grand Rapids, MI with a strong focus on the front-end. I have 4 years of professional experience and have worked on many large projects with teams both large and small. I work primarily with React and Svelte.

Tech I Use

- React
- React Native
- Vue
- Svelte
- Javascript
- TypeScript
- NextJS
- NodeJS
- Apollo
- GraphQL
- MapboxGL
- HTML
- CSS
- Express
- SvelteKit
- Gatsby
